

46123 10 Red

This 1850's friendship quilt from Philadelphia is the Ninth in a Series of reproduction quilts featuring the Howard Marcus Collection. The series includes antique quilts from across America.

This friendship quilt is believed to be a wedding or anniversary quilt.

With a cheerful red and cream color palette and fine applique work, this quilt was made with love and friendship for a happy occasion.

The center of each block is signed in a beautiful script further indicating the quilter's desire to create her very finest work.

Many of the signatures are from members of the same family.

It is our hope that you, too, will create a friendship quilt for the special loved ones in your life.
