

# Balboa

by Sherri & Chelsi

*"Live in the sunshine.  
Swim in the sea. Drink in the wild air."  
-Henry David Thoreau*

Gentle breezes, beautiful flowers and the vibrant colors of the homes on Balboa Island are the inspiration for this collection. Many delightful family vacations were spent navigating the boardwalk and piers of this southern California coastal area, watching the sunsets, playing in the ocean, eating ice cream and window shopping the lovely boutiques. It was a refreshing and carefree respite from the desert heat of home with its cool shades of grey, blue, purple, coral and fresh green.
