

FARMHOUSE FLANNELS III

By: Primitive Gatherings

It's flannel time again! Once a year, we design a line of flannels that are so cozy they just shout out, "Come snuggle with me!" Farmhouse Flannels III is bringing back those famous neutrals of black, grey, mocha, and cream. Speaking of bringing back...after getting so many requests, we decided to reprint our awesome sheep panel. You can't go wrong making quilts and so many other projects with this yummy flannel. Don't forget about quilt backings too! Just make sure you stock up – as days get shorter and the temps start to dip, everyone will be thinking...It's flannel time!
