

LAND OF Enchantment

by Sarah Thomas of SARIDITTY

An escape to the Land of Enchantment is my own living fairytale. Soaking up the sunshine all year long...breathing in the crisp, cool air with notes of juniper among the yucca and prickly pear...watching God's creatures forage and play in the desert mountains...being at the center of a hummingbird feeding frenzy...waking up before dawn to watch thousands of twinkling stars fade into the sunrise over the Sandia Mountains...New Mexico is where I feel more alive than anywhere else. In the Land of Enchantment, my heart and soul are fulfilled, enriched, and inspired in a multitude of ways. For over a decade, my parents' home in the East Mountains was my refuge and where I felt like I was home. It was where I belonged. This collection, Land of Enchantment, is my tribute to one of the most perfect places I've ever known, and I hope you feel a sense of playfulness, peace, and inspiration among the colors and designs I've brought to you. Enjoy!!
